**AMENDMENT AND RESPONSE TO OFFICE ACTION
OF FEBRUARY 15, 2005, PETITION FOR EXTENSION
OF TIME AND STATEMENT UNDER 37 C.F.R. § 1.125(b)**

Dear Sir:

This is in response to the Office Action mailed on February 15, 2005. Applicant hereby requests and petitions that the due date be extended three months to August 15, 2005.

Applicant additionally requests entry of the Substitute Specification filed on July 27, 2001, a copy of which is enclosed herewith, and state under 37 C.F.R. § 1.125(b) that the Substitute Specification contains no new matter. Applicant notes that the Substitute Specification was subject to no changes relative to the immediate prior version under 37 C.F.R. § 1.125(c). The Substitute Specification was simply subject to the re-formatting of margins and addition of paragraph numbering in response to the Notice to File Corrected Application Papers of May 31, 2001. The Substitute Specification should, therefore, be in compliance with 37 C.F.R. § 1.125(b) and (c).

Please enter following amendment to the specification, which was requested by the Examiner, and amendments to the claims and consider the following arguments in support of the application:
